Foreword

Trees have played an important part in the locating and developing of the community of Port Allegany. Trees furnished fuel, shelter, and food for the early settlers. They were responsible for the logging industry which furnished products of bark and lumber. Trees later became important in the manufacture of paper and furniture. Today, trees and their products form an important part of the economy of Port Allegany.

In the growth of a tree, much can be compared with the growth of an individual. Trees grow tall in seeking light; students grow mentally tall in seeking knowledge. Each tree is a unique creation; each student is a unique individual with his own capacities and interests. By such comparisons, trees have been used to relate the various facets of our school: our faculty, our classes, our activities, and our athletics.

CAFETERIA PERSONNEL

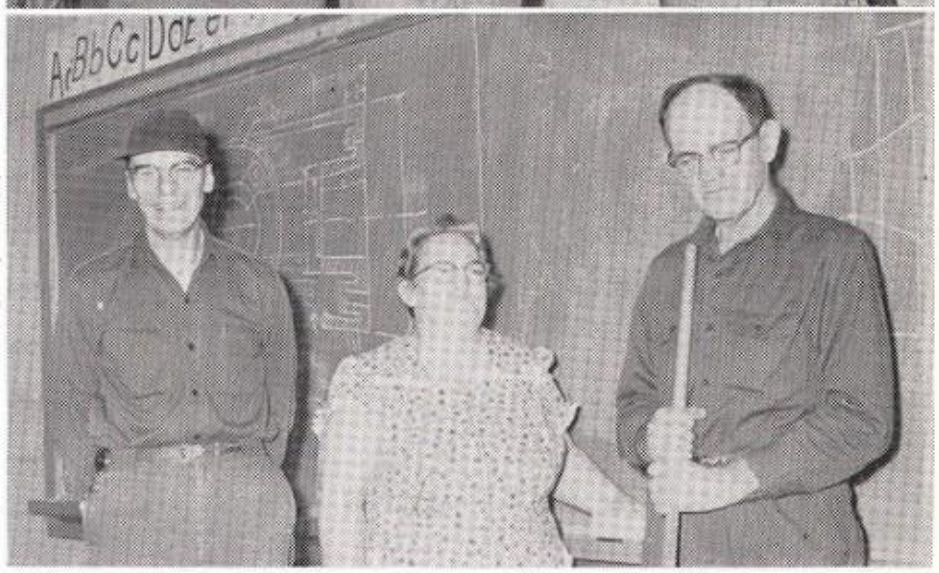
Mrs. Newton, Mrs. Nelson, Mrs. Hughes, Mrs. Kirkman, Mrs. Olson, Mrs. Baker

The cafeteria staff consists of seven women under the supervision of Mrs. Price, dietician. Each day, these women prepare a well-balanced meal of adequate calorie count and high nutritional value. They serve an average of 380 Junior-Senior high school students daily.

MAINTENANCE AND CUSTODIANS

Mr. Harold Baker, Mr. Lawrence Lewis, and Mr. John Gallup are the school's three maintenance men. Their duties include keeping all school equipment in running order. This service extends to the four other school buildings in the Port Allegheny Union School District. The maintenance men perform many extra duties such as the erection of bleachers and stage scenery. During the summer they care for the lawns and paint the buildings.

Mr. Edward Rittburg, Mrs. Teresa Gallup, and Mr. Dealton Gallup are three of the school's custodians. Mr. Lee Saiers, the fourth custodian, is not pictured. These people perform their many tasks after school. Although often interrupted by late work, school meetings, or practice sessions, they are always congenial and cooperative.



The seventh graders, when they enter the school, are like small seedlings in the shade of larger trees. Gradually, they grow into sturdy saplings, then into large, thriving trees as they seek the light of knowledge. Each class is a step toward better understanding and ultimate maturity.

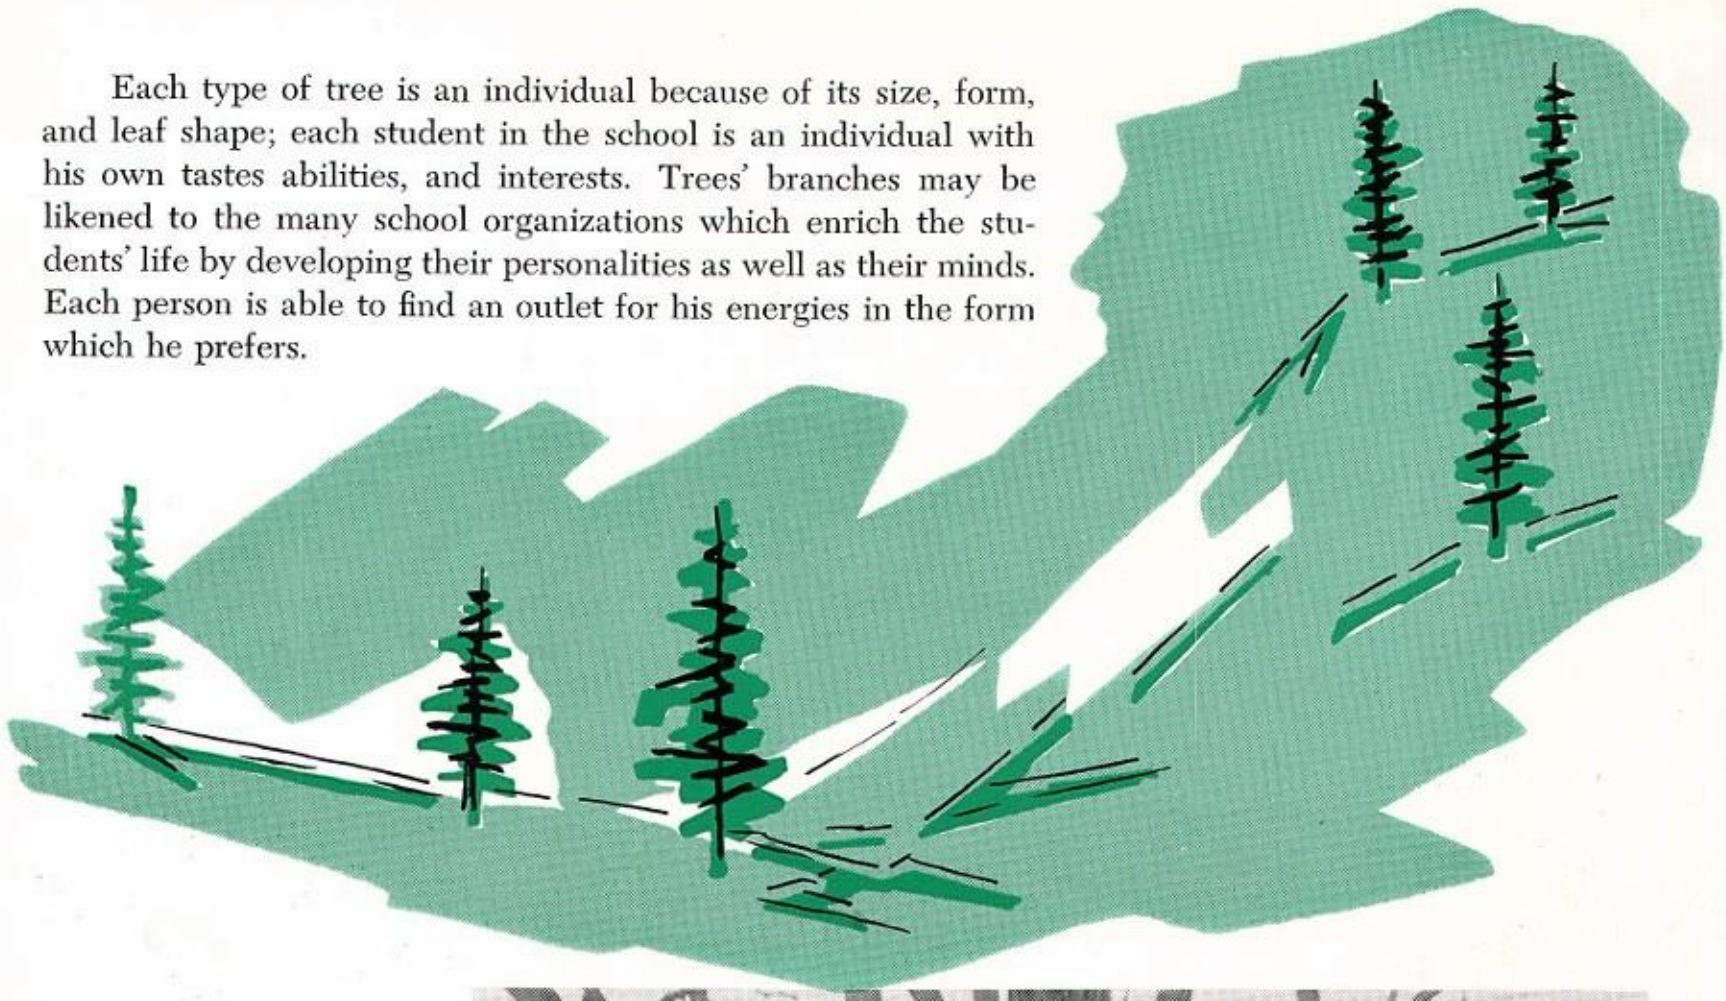
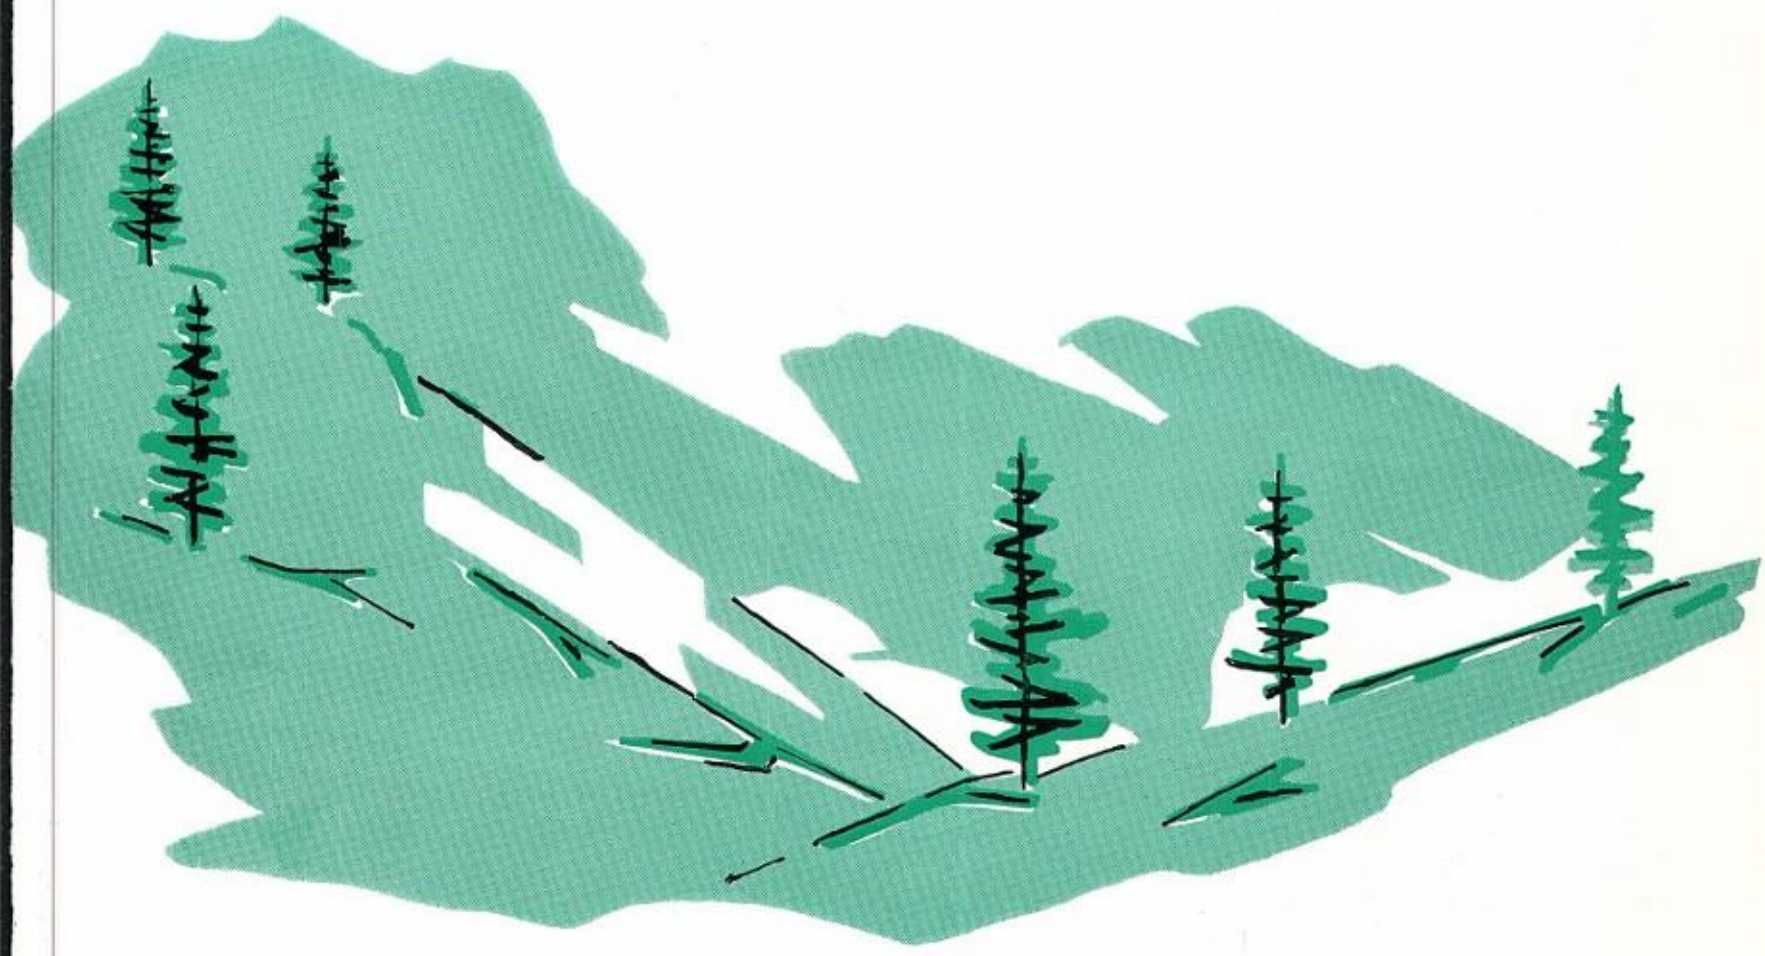
Each type of tree is an individual because of its size, form, and leaf shape; each student in the school is an individual with his own tastes abilities, and interests. Trees' branches may be likened to the many school organizations which enrich the students' life by developing their personalities as well as their minds. Each person is able to find an outlet for his energies in the form which he prefers.



ACTIVITIES

Included in the activities are the dances held during the year. Decorating for a dance above are three Juniors: Jim Minard, Barb Welsh, and Lois Dunbar.



STUDENT COUNCIL

The Student Council in our school is a young organization which has a leading role in student government. It acts as a middle ground between the students and faculty. This group consists of a representative and an alternate from each homeroom. Its officers are chosen from this number. Only Juniors and Seniors who have a "C" average are eligible for office.

Under the direction of Mr. Taylor, the Student Council is going to sponsor a Foreign Exchange Student next year. The raising of the necessary funds was the major project of the group this year. Some of the activities to meet this end were: a tag day, a semi-formal dance, several benefit basketball games, movies, sale of book covers, and the operetta. Donations were also received from P.T.A.'s, school clubs, and community organizations.

Exchange Student Assembly

L. to R.: Joel Anderson; Hugette Alewaeters, Belgium; Mrs. Gordon Huff, Bradford; Cindy Dinham, Bradford.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is awarded only to students who have outstanding scholastic records and who demonstrate qualities of leadership, character, and service. To be eligible for the National Honor Society, a student must be in the top one-fourth of his class. The total membership this year is sixteen, or fifteen per cent of the Senior Class.

One-third of the members are chosen in the spring of their Junior year. The selection is made in the annual National Honor Society assembly with an impressive induction ceremony. Whether chosen in the Junior or Senior year, membership in the Honor Society does not terminate upon graduation, but continues throughout life.

Standing: William Valora, Gail Asel, Ronald Radlinski, Sara Garthwaite, Nancy Manning, Susan Hermanson, Gail Gregory, Donna Newland, Margaret Caskey, Nancy Watkins. **Seated:** Norma Nelson, James Newton, Alan Eicher, Marilyn Jestes, Barbara Jordan. **Not pictured:** Guy McCoy.

TRI-HI-Y

The Tri-Hi-Y is a young girl's christian service club consisting of thirty-four members.

Activities of the club include sponsoring an assembly each year and operating the coat room at basketball games. It also distributes Easter baskets to needy families.

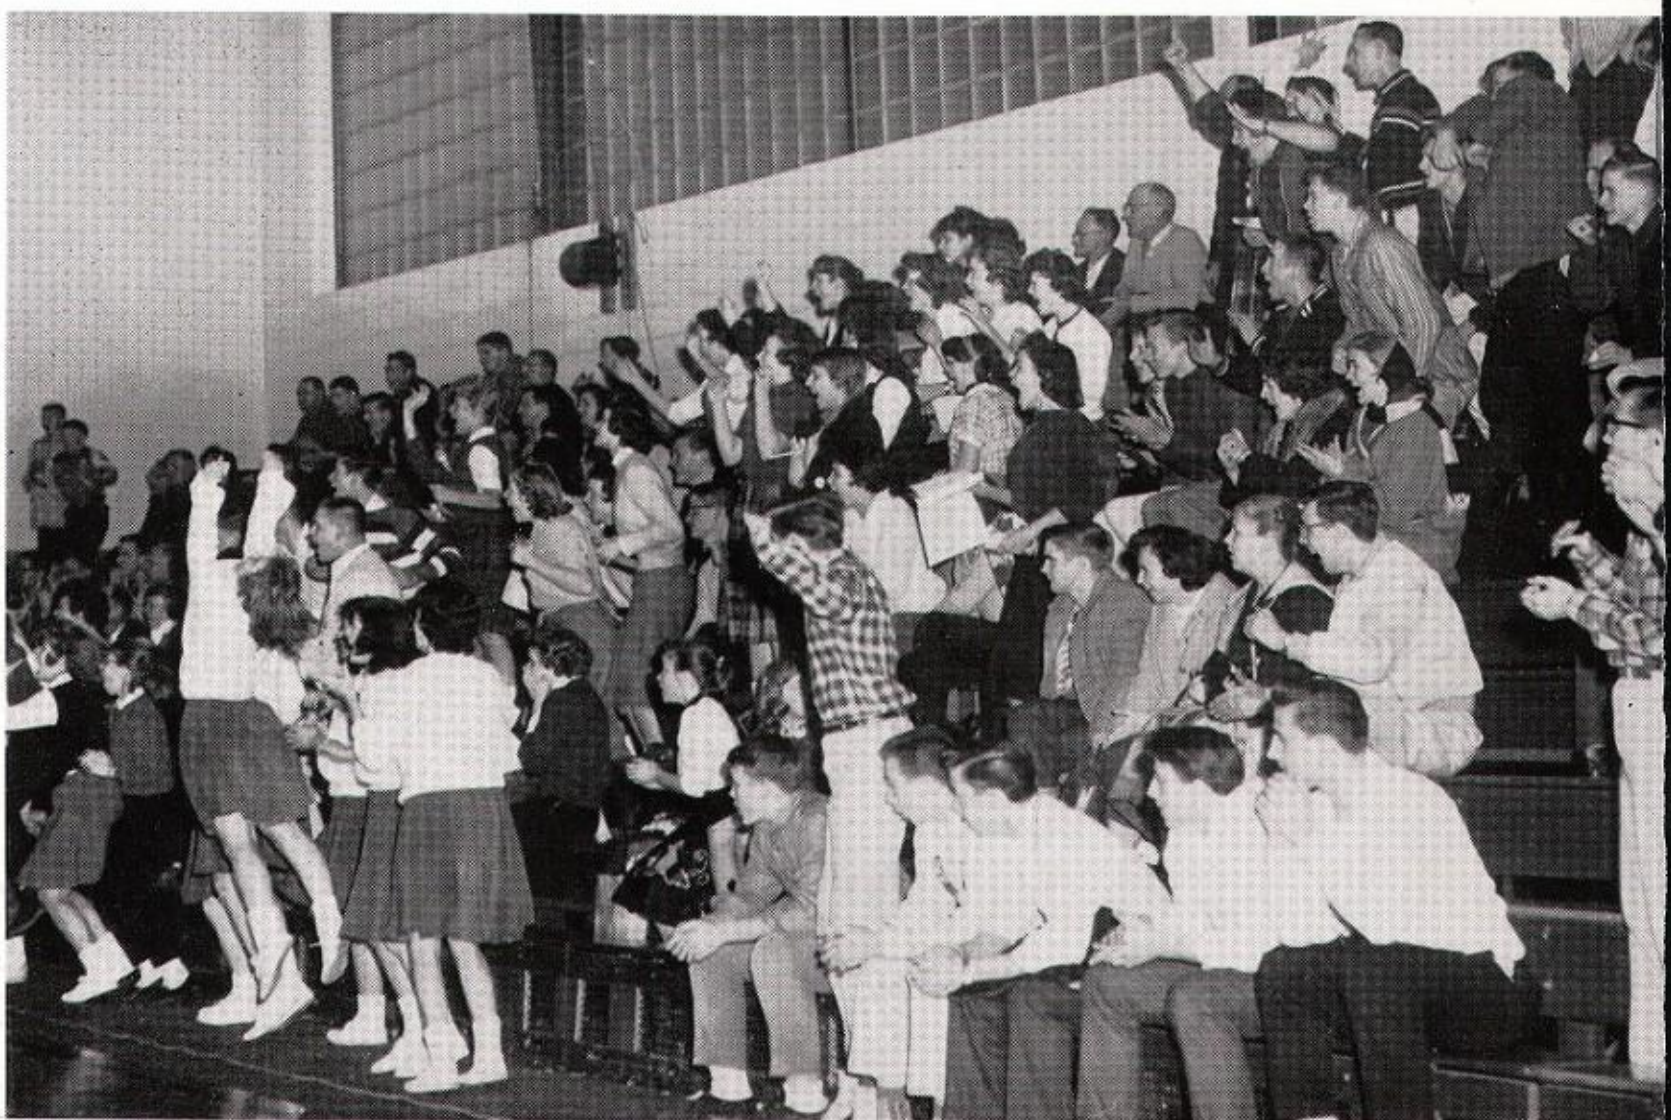
PEP CLUB



The biggest booster contributing toward school spirit and morale is the Pep Club. This year, the work of this club was especially noticed at the home football and basketball games.

Last spring during track season, we had some of the largest student turnouts. This was especially good considering the spring weather and the newness of our track.

The Pep Club is open to all students in the Junior-Senior High School. The nucleus of the club is made up of those students who are always depended upon for good school spirit.

This year the two Seniors voted as having the best school spirit were Eileen Smith and Beaver Kallenborn.

A portion of the Band plays at every regularly scheduled assembly. Its members provide music and accompaniment for many school functions.

FOOTBALL

The biggest casualty of the 1959 football season was the 46-27 victory of Smethport over Port. This defeat was the first Smethport had handed Port in fourteen years. The season ended with Port's having won two, tied one, and lost five.

This year's team was composed of nine Seniors, six Juniors, and four Sophomores. Of the twenty-one members, eight were returning Varsity Lettermen.

Co-Captains of the Gator team were Earl Brown and Guy McCov. Co-Captains elected for next year were Ron Johnston and Bob Wvkoff.

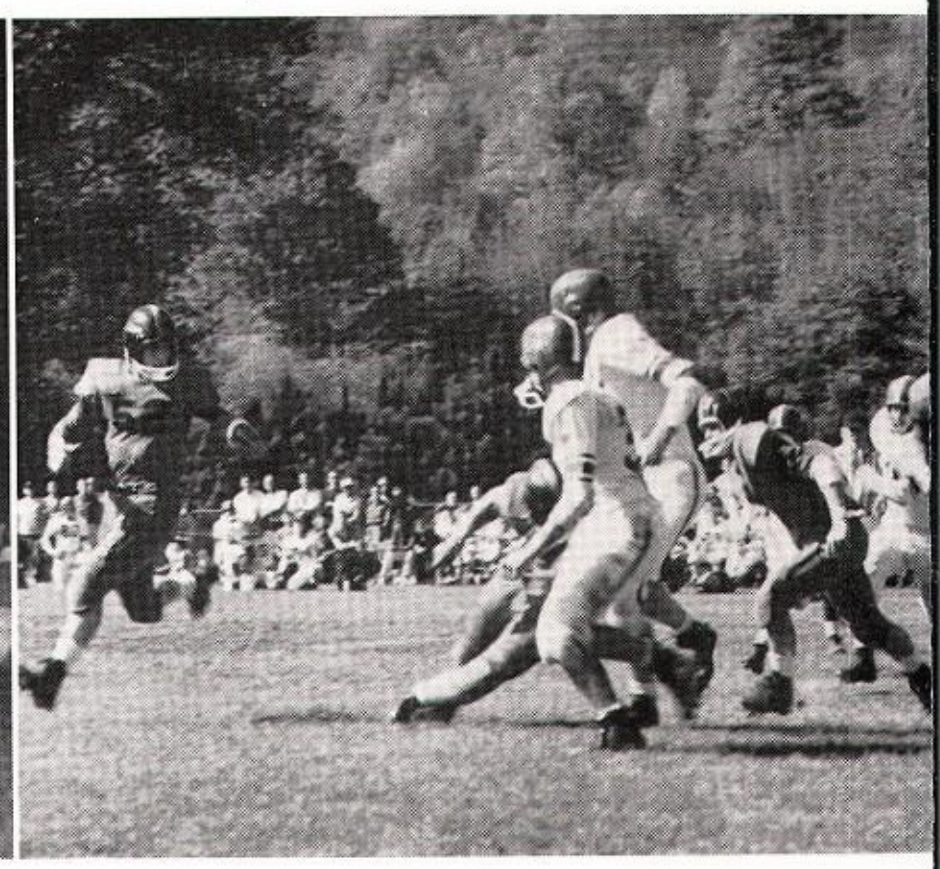
In this game, Gib Miller runs right end against Smethport.

Earl Brown tries end sweep against Emporium. The Gators lost the game 26-7.



JUNIOR VARSITY

1st Row: Mr. Christensen, Malon Postlewaite, Harry Kelly, David Higley, Tom Jewart, Keith Hildreth, Mac Glesk, Mr. McLaughlin. **2nd Row:** Jim Miller, Bob Buckheit, Jim Sherwood, Dick Kallenborn, Rick Summerson, Mike Manning, Russell Almony, Henry McConnell, Corky Baker, Mike Spangler, Joe Michelitsch.

The Junior Varsity football team started the season in good fashion by beating Coudersport 12-7. In the second game, they gained a 0-0 tie with the Bradford Freshmen. They lost two games with Smethport, each time by only one point. One of the best games which the Junior Varsity played was a 12-0 loss to the undefeated Otto-Eldred J. V.'s. The last game saw the "Little Gators" bowing to Emporium 25-0.

The Freshman group lost to Smethport 20-13, and also to the Otto-Eldred Freshmen with a score of 6-0.

The Junior Varsity players who showed promise will be playing Varsity ball next fall. Some of these players are Baker, Sherwood, Summerson, Hildreth, Jewart, Glesk, Higley, and Kallenborn.

Tom Hellman running the ball around left end at the Sheffield game.

L. to R.: Ingrid Johnson, Ellen Ostrander, Karen Manning, Judy Gamble, Sandy Van Sickle, and Carol Hardes.

VARSITY CHEERLEADERS

The ten Varsity and Junior Varsity cheerleaders of Port High were some of the liveliest in the area this year.

They kept the Gator fans in good spirits even though the football and basketball scores often were in reverse of their enthusiasm.

The cheerleaders were often called upon to sell programs or collect tickets. The enthusiasm which they displayed in these tasks was characteristic of the spirit they showed all year.

JR. VARSITY CHEERLEADERS

Johnston going up for two points against St. Marys. This was the first game against the Dutchmen. St. Marys won in an overtime, 53-50.

BASKETBALL

The Basketball team's record this year was three wins, and twenty-one losses.

The lack of victories was certainly not due to a lack of effort. Inexperience and a team built from scratch were the major reasons for the many defeats.

This year's varsity squad was composed of four seniors, three juniors, three sophomores, and one freshman. Of these eleven men, the only returning regular player from last year was Duane Gregg, this year a Junior.

Despite the repeated defeats, the Gator cagers managed to stay out of the cellar in the Alleghany Mountain League. In the next to last game, the Gator squad defeated Otto-Eldred 54-51 and thereby gained next to last place.

With the experience gained this year, the Gator cagers are looking forward to a much brighter season in 1960.

Duane Gregg stretches for a jump-ball in the St. Marys game. The Dutchmen defeated Port.

Johnston shoots a long one in the Smethport game. The two points gained were not enough to counter Smethport's lead. Port lost.

JR. VARSITY BASKETBALL

In a comparison of the percentage of games won this year, the Junior Varsity was higher than the Varsity by roughly thirteen percent. Ending the season with a record of six wins and sixteen losses, the Junior Varsity gave evidence of coming seasons that will make Port High the team to beat.

This year's team, at the season's end, was composed of seven freshmen and eight sophomores, three less than the original complement of eighteen.

Of this team, three members were returning varsity lettermen, eight earned varsity track letters, and four earned junior varsity track letters.

The captain of the 1959 team was Jim Turner. The captain-elect for the next year is Tom Hellman.

SWIMMING

Swimming is perhaps the favorite form of summer recreation in Port Allegany.

This year's season began on Memorial Day under the direction of Mrs. Margaret Tronetti. Although the water temperature hovered around the fifties and low sixties, many of the hardier swimmers got wet with a quick, refreshing dip.

Instruction classes held this year were Beginners, Intermediate, Advanced, Junior Life Saving, and Senior Life Saving.

BOWLING

Bowling has been one of the fastest growing sports in Port Allegany. Under the direction and coaching of Mr. Brown, students may learn how to improve their bowling scores.

Many students have been active in the various teams that compose the high school bowling league.

Bowling is also extremely popular with the teachers and parents. So popular is this sport that a new bowling alley has been planned to supplement the present one at the Masonic Hall.

L. to R.: P. Stuckey, M. Turner, E. Pinchock, S. Warner. S. Ford, J. Babola, Mr. Brown, J. Goodrich.

TUMBLING

The Boy's Tumbling Club is one of the largest in the school. It is composed of forty-seven members from grades seven through twelve. The members meet each Monday night to work on the various pieces of gymnastic equipment.

In previous years the Boy's Tumbling Club has presented, with the Girl's Tumbling Club, a gym show. Although no official show was held this year, the Boy's Tumbling Club did present an excellent exhibition of gymnastic exercises during the half-time of the Port Merchant—Harlem Ambassador exhibition basketball game.

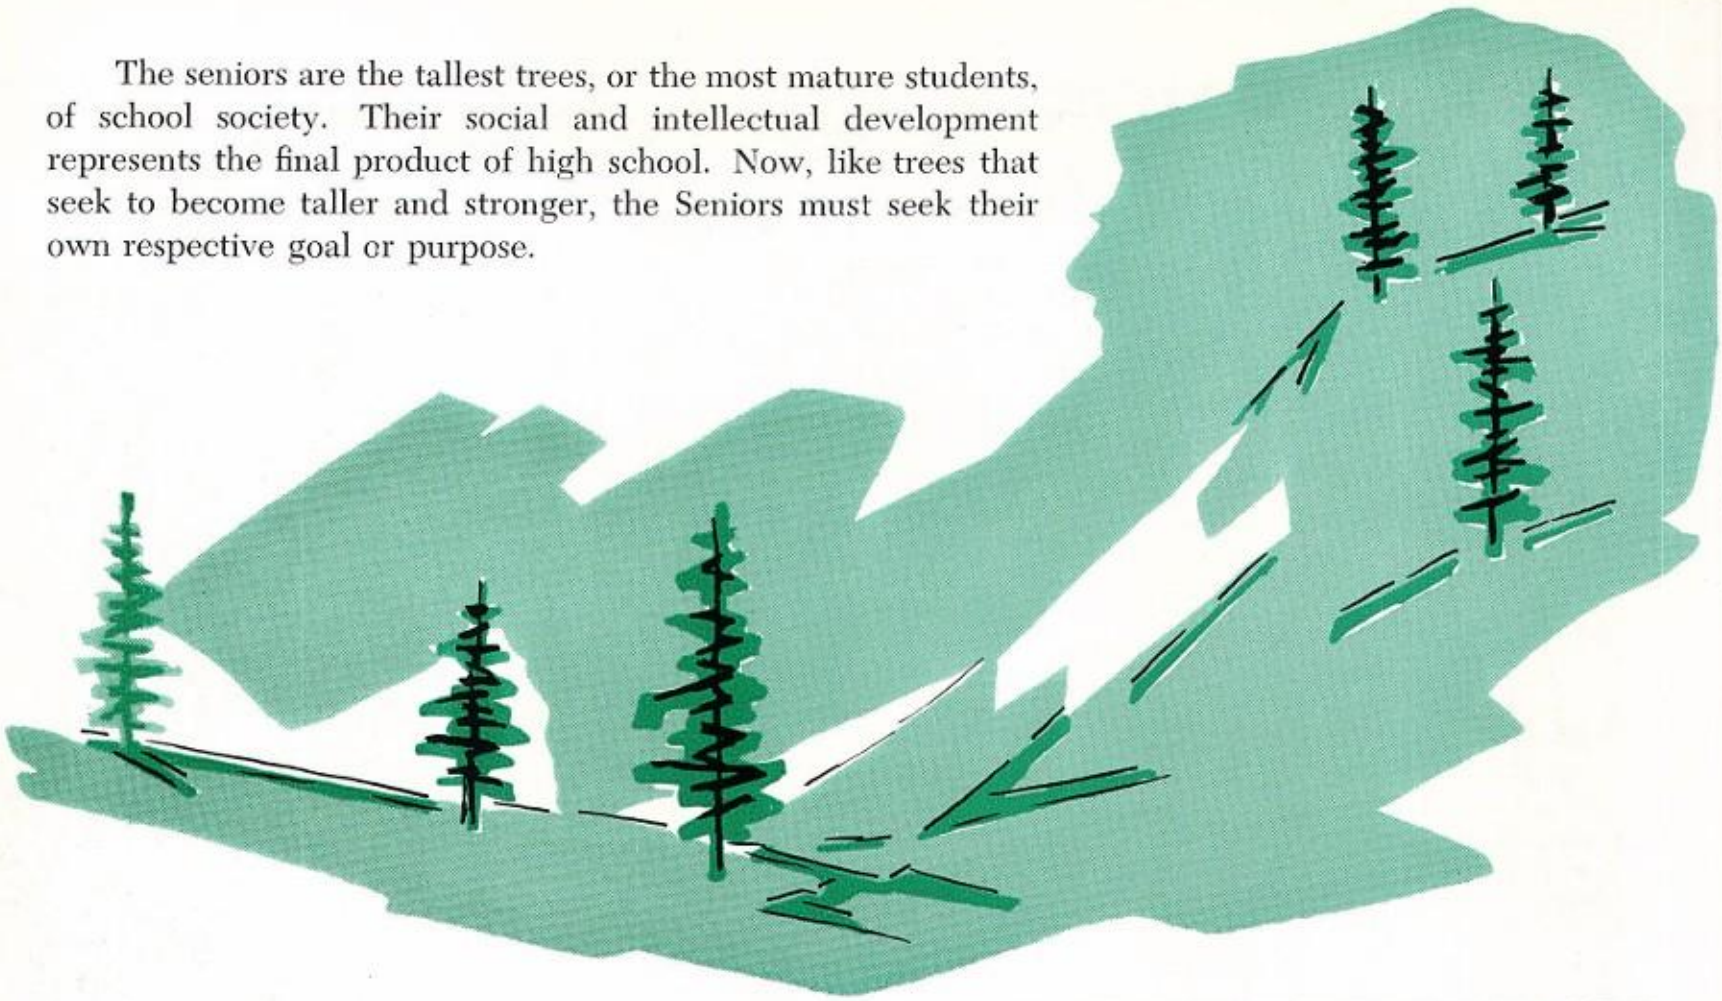
Officers of the club this year were: Bob Taylor, President; Secretary and Treasurer, Wally Finn; Equipment Manager, Roger Patton; and Shower-room Manager, Allen Klein.

The Girl's Tumbling Club is also one of the largest in the school. It is composed of fifty-three girls from grades seven to twelve.

The club has no official elected officers. Their meetings are under the direction of Mrs. Margaret Tronetti.

The club meets each Thursday night from 6:30 to 9 o'clock. At this time the members work on the various pieces of equipment. The purpose of the club is the obtaining of good fun and well-coordinated bodies.

The seniors are the tallest trees, or the most mature students, of school society. Their social and intellectual development represents the final product of high school. Now, like trees that seek to become taller and stronger, the Seniors must seek their own respective goal or purpose.

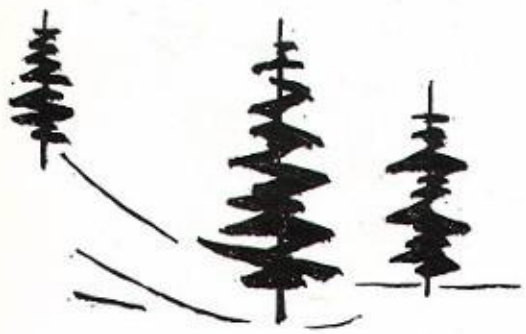


SENIORS

Guy McCoy and Norma Nelson, Boy and Girl of the Month, receive their certificates from Max Hoffower, president of the Port Allegany Exchange Club.

SENIOR CLASS OFFICERS: Norma Nelson, secretary; Bonnie Sawyer, treasurer; Barbara Jordan, vice president; James Newton, president.

Seniors



This year's Senior Class has the distinction of being the largest graduating class in the history of the school. The class numbers 103, sixty of which are enrolled in the Academic Course.
